Corrective Actions

When corrective actions are assigned to you, you will receive an email from ehs_chemicals@mail.wvu.edu. This email will contain a link to the inspection report and a list of your corrective actions.

To view the corrective actions, certify that they have been completed, request an extension, or reassign them to someone else, please go to: https://labcliq.com/summary/corrective_actions.cfm?site_id=1138

When you click the link, it will prompt you to login and it will bring you to this screen.

This screen identifies what room and when the inspection was done as well as what corrective action needs to be taken.

Once the corrective action is done, click the complete button.

**Additional information**
You can navigate your corrective actions by logging into Labcliq.com and clicking the Corrective Actions button.
